EDUCATION

Aditya Engineering collage, Andhra Pradesh	*July 2022 - may 2026*
Bachelor of Engineering, Information Technology.	Overall CGP: 7.02
Narayana Junior College , Andhra Pradesh	*July 2020 - may 2022*
Intermediate Education, MPC .	Overall Percentage: 62
ZPHS High School , Andhra Pradesh	*July 2015 - march 2020*
Board Of Secondary Education, SSC.	Overall Percentage: 85

CARRIER OBJECTIVE

I aim to work for an organization that offers a dynamic environment where I can continually enhance my skills and expand my knowledge. I am eager to contribute meaningfully to the organizations objectives while simultaneously advancing my professional and personal growth.

PROJECTS

DESKTOP ASSIANT:
Developed a Python-based desktop assistant that automates daily tasks and integrates voice recognition to enhance user interaction. Implemented features using libraries like SpeechRecognition, pyttsx3, and datetime, resulting in streamlined workflows and improved productivity.

Rescue Ready
Designed a scalable platform for community safety with real-time disaster alerts and preparedness checklists, and received great feedback from 80 Integrated geolocation-based emergency services, reducing response times by 30decision-making by 25 Crafted a responsive user interface with React.js, HTML, CSS, and Bootstrap, receiving positive feedback from 95

TECHNICAL SKILLS

Languages	Python,Java,JavaScript,SQL
Technology	Express.js , Bootstrap , React.js , React native , MongoDB
Web Technologies	HTML , CSS , Git , GitHub
Concepts	API , Database , Agile Methodology , Computer Networks

CERTIFICATIONS / BADGES

Certifications

CCNAv7: Introduction Networks
· CISCO: JavaScript Essentials

Badges

CISCO: Networking Basics

WORK EXPERIENCE

Technical Hub   June 2024 Dec 2024

Intern Full-StackWeb Developer

· Strengthened MERN stack and React Native app development, enhancing both efficiency and scalability.
· Developed expertise in full-stack development, including API integration, state management, and performance optimization, leading to faster project execution.
· Maintained clean, structured code while following industry best practices for UI/UX, authentication, and database management, ensuring high-quality applications.

INTERNSHIPS

T-hub, Surampalam   June 2024

Developed and optimized web applications using MERN stack and React Native, enhancing performance and usability.

IIT Hyderabad   may 2024

Gained hands-on experience in Python development, focusing on automation and data processing.

ACADEMIC ACHIEVEMENTS

Ideathon Participant EcoMetrics (Urban Sustainability Project), Aditya University

Presented EcoMetrics at an Ideathon, receiving positive feedback from 15 industry experts.

Developed EcoMetrics, resulting in a 25% reduction in environmental impact assessments by local governments.

EXTRA-CIRRUCULAR

Attended a workshop on APSSDC of Android Developmemt

Participated in Smart India Hackathon in 2023

PERSONAL TRAITS

Highly motivated and eager to learn new things.

Ability to work as an individual as well as in group.

I have a strong interest in creating stories, exploring different narratives, and crafting engaging content.
